

BEAZLEY MEDAL INFORMATION

The Beazley Medal: TEE - Neil Thomas, Wesley College

The Beazley Medal (TEE) is awarded to the top eligible student with the highest Curriculum Council Award score. This score is based on the average of five TEE scaled marks, calculated to two decimal places, with at least two from the humanities/social sciences list and two from the mathematics/science list. It is based on a broader range of subjects than the Tertiary Entrance Rank (TER) score, which is based on four TEE subjects with at least one subject from each of the two lists.

The Beazley Medal: VET - Michelle Kite

The Beazley Medal (VET) is awarded to the Year 12 student who achieves the best results in a vocational program.

The VET winner is determined according to the following criteria:

- Year 12 results;
- coherence of the VET program;
- contribution to a national recognised qualification; and
- number of other Curriculum Council Awards.

Michelle achieved 11 A grades in Year 11 and 12 courses, a Certificate of Excellence and a Certificate II in Business.

ADDITIONAL AWARD DETAILS

General Exhibitions (40)

A total of 40 awards, known as General Exhibitions, are awarded to the eligible students who obtain the highest Curriculum Council Award scores based on the average of five TEE scaled marks, calculated to two decimal places, with at least two from each of the humanities and sciences list. The subjects must have been studied in the year of the award.
